

in reality WE ARE) has left its embodiment but continues on in its same intelligence and wisdom.

It is true that the LIFE THAT WE ARE never dies..is not limited to body..to material sense..and therefore it certainly cannot be limited to a grave. However, this is not carrying the subject far enough. We must have the metaphysics here with which to unfold and reveal the final step; that the BODY is forever AS INFINITE, AS ETERNAL AND IMMORTAL AS LIFE ITSELF..for Life and body are ONE. Life and body are inseparable. Jesus did not DIE and then return. Jesus proved the Immortality of HIS LIFE AND OF THE BODY. He returned IN THE SAME BODY.

And so with us. We do not demonstrate Immortality so long as we continue to have to experience death or "passing" in order to continue that Life of the Soul. No; we must, through metaphysics, OURSELVES determine the experience. We determine health through the realization of the BODY'S BEING AS IMMORTAL AS THE MIND OR THE LIFE ITSELF.

Don't you see that when you begin to understand Life as Immortal, you are not helping the health of your "body" until and unless you see the body AS A FORMATION OF THE CONSCIOUSNESS OF YOUR OWN BEING? When you begin to see that you, as CONSCIOUSNESS, are appearing here in manifested form, then you have made yourself IMMORTAL. And not through death, but through LIVING..through UNDERSTANDING..through FREEDOM IN CHRIST..FREEDOM FROM THE BELIEF IN MORTALITY. And when you have PUT OFF mortality and PUT ON IMMORTALITY, you will have done it HERE AND NOW in a BODY of youth, strength, vitality, health, harmony, wholeness.

Do not separate "Mind" and "body"..do not separate CONSCIOUSNESS and body..do not separate yourself IN ANY WAY. Do not separate ANY PART OF YOUR EXPERIENCE from consciousness. Learn to close the eyes and begin to REALIZE YOUR LIFE AS CONSCIOUSNESS. Then, when you have your life AS CONSCIOUSNESS, you will have found your FREEDOM IN CHRIST. The body will then be what it was intended to be: A FORM IN WHICH TO APPEAR..a form to walk around in. Then we will come into the EXPERIENCE of a body without pain, without deterioration, without age and without change.

We are demonstrating this and proving it in a measure. Only in a measure. We have seen some of our people in the metaphysical world who have had wonderful, wonderful demonstrations of this thing of harmony of being and harmony of body. That we have not gone further is due only to the fact that we are not realizing fully our existence AS CONSCIOUSNESS. Therefore we are still believing in a beginning and in an ending. We are believing in time and space.

Please believe me..you will not demonstrate youth and health, strength and vitality of body UNTIL YOU LEARN TO TRANSCEND THIS BELIEF OF TIME AND SPACE. And that can come ONLY as you VISUALIZE YOURSELF AS CONSCIOUSNESS..as a state of AWARENESS..and then say - "How could THAT have beginning and how can THAT end? How can you bind THAT up in a body or a grave?" With that beginning..with that realization..comes your FREEDOM IN CHRIST.

I am emphasizing this statement..FREEDOM IN CHRIST..HARMONY IN CHRIST..WHOLENESS IN CHRIST, in Spiritual Identity..FREEDOM IN SPIRITUAL IDENTITY..
